FIREFIGHTERS
FOR HEALING

FOR THE PAST THREE YEARS, PAUL DAVIS HAS PROUDLY PARTNERED WITH FIRE FIGHTERS FOR HEALING & DONATING ALL PROCEEDS AND CONTRIBUTIONS FROM THE PD ANNUAL GOLF EVENT TO SUPPORT THEIR CAUSE.

Firefighters For Healing supports burn survivor patients & helps firefighters and first responders pivot after a line of duty injury or medical diagnosis. We care, we listen, we encourage the family as they navigate the first hours, days and months. Due to the catchment of Hennepin Healthcare's Level 1 Burn Center and our proximity to Abbott Northwestern Hospital's Heart Institute. We meet & serve families from Minnesota, North Dakota, South Dakota and Wisconsin. In the past few years, we provided more than 1450 nights of shelter to 229 individuals from 80+ families.
